Subject: drug lab OT guidelines

Please note the following guidelines for Drug Laboratory Overtime

- Overtime is available to all staff regardless of funding source (we have staff paid on both the State laboratory and Lead accounts)
- OT is authorized for both analytical and administrative purposes (data entry, reports etc)
- OT may be accrued in increments 30 minute increments or greater.
- A signed OT form (1 for Boston, 1 for Amherst) is required each week in order for payroll to be processed.
- Reminder that holiday work is paid or comp time accrued at the standard rate.

Any questions, just call. Thanks - Julie
